

The Promenade light pole's nostalgic tramway look will enhance any surrounds.

The Promenade is available with a single or double outreach, to suit top entry or side entry light fittings.

Promenade is an original Vicpole design - much copied, but never bettered!

The mounting options are in-ground mount, base plate for foundation bolts or base plate for Ezi-Fit in-ground base section.

Options List

- Single Outreach.
- Double Outreach.
- Ezi-Fit in-ground base section.
- In-ground mount.
- Base plate mount.
- Spigot to suit various types of light fittings.
- Other outreach lengths available

Commonly used colours.

Extensive range of colours available. For coastal environments a coastal paint specification is available on request.
